Compensation Payments

Question 1. [How do I get my money?](#)

If the Claims Administrator assesses your Claim as eligible, you will be issued a payment either by cheque or direct deposit based on your choice.

Question 2. [How long after I submit my claim until I get paid?](#)

If the Claims Administrator assesses your Claim as eligible, a potential payment will depend on the number of Claims received by the Claims Administrator and how long it takes to assess your Claim.

Payment to Eligible Claims will be made every Friday during the Claims Administration Period.

Question 3. [Do I get the full amount in one payment?](#)

If the Claims Administrator assesses your Claim as eligible, and you are over 18 years old, you will receive a Settlement Payment or your Compensation will be held in trust (as a Trust Certificate) based on direction you have provided to the Claims Administrator.

The first payment you will receive is referred to as the Settlement Payment which represents 85% of your calculated compensation. Nine months after the end of the Claims Registration Period, depending on if there are any remaining Settlement Funds after all the Settlement Payments have been made, you may receive an Additional Payment. The Additional Payment may include up to the 15% balance of your calculated compensation, your share of the interest earned on the Settlement Fund and an additional 25% of your calculated compensation.
